

# A Fall Gathering

## Bank Report

A glorious cool and sunny afternoon in November the Fall Gathering called adventurers back to the Summervale School of Law (SSL) once more! This time it was to enjoy the fruits of a recent accord with the Don--who established a gambling house, Summervale Knightfall, on the grounds with Black Jack Gyles (GreysonCox) as the Liaison between Headmaster (David Gibson) and Headmistress (Sarah Gibson) to the mainland.

Adventurers noted a significantly shorter journey to reach the island, and a plethora of monsters upon arrival which were slain in the appropriate manner. Tournaments were held for entertainment, and several adventurers gathered to assist with a few of the school's more unusual problems. Adventurers were successful and the SSL has been deemed cleared for the students to return for yet another year!

Rumors have been flying about the Silver Hammer, the swelling of Summervale's Greyhyde Pack, and the many weres now in hiding or fleeing the area. Adventurers were quick to find and discuss all the implications of the current situation.
