

Mistletoe Wedding Bank Report

It was a glorious gaming day on Saturday, 10-DEC-2016. Sunny, cool, and breezy it allowed for enjoying the indoor fireplace as well as the outdoor briskness.

The PCs were travelling in a caravan to Fiorgynsheim when they decide to spend the night at an abandoned Manor. But wait, the place is apparently NOT abandoned, and Lord Lovell invites everyone in to celebrate his wedding day! However, things are not always as they appear to be, and there was much amiss with the Manor and its Lord.

The PCs were eventually able to determine the true state of affairs, and to lay the many restless spirits to rest.
