

Directions to Breckenridge Park

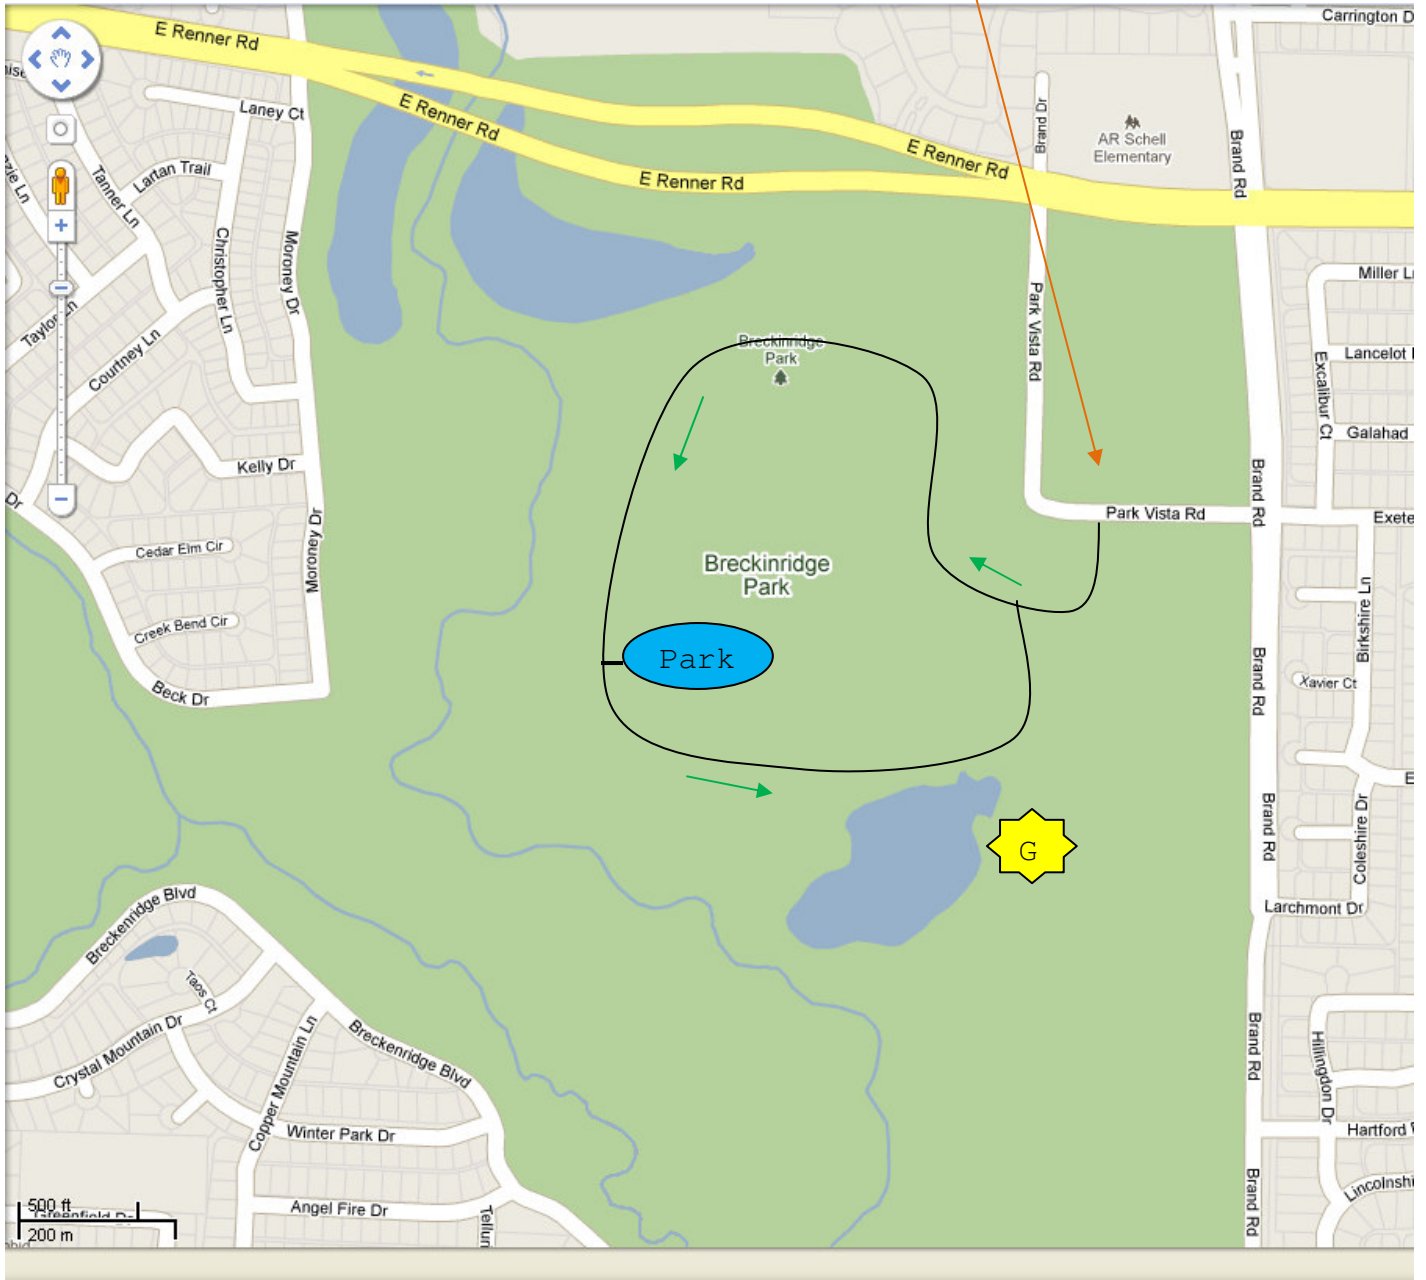

1. Get to 75 (Central) and 190
2. Go south on 75 and take the Renner Road exit
3. Head east on Renner Road, past Jupiter, past North Star, to Brand

There are two options for parking. Option #1 is locked at dark, but option #2 is open at all times. I strongly recommend that NPCs use option #2.

Parking Option #1 - Locked at dark

1. Go south on Brand until you get to Park Vista Road
2. Turn west (the only choice) onto Park Vista Road
3. In about 100', take the turn to the south
4. Turn RIGHT onto the circular road; this is a one-way road
5. Enter the gravel parking lot from the west side of the circular road
6. Park, unload, head to Check In.
7. **IMPORTANT: This parking lot is LOCKED at dark**

The yellow "G" is the Gazebo.

Parking Option #2 - Always open

1. Go south on Brand until you get to the Lot C entrance
2. Turn in to the entrance and park as far north as possible in the lot
3. Head to the gazebo by the lake.
